Dear Supervisors:

SUBJECT: IMPLEMENTATION OF COUNTY REORGANIZATION
AND SYSTEMS IMPROVEMENTS

The attached report and recommendations have been discussed with each of you or a designated deputy. In the interim, the County has undertaken a number of actions which relate to our recommendations:

1. The RFP on cost-accounting issued last month reflects a high priority on expanded implementation of the County's cost-accounting capability. (Recommendation 1).
2. The task forces on Data Processing, Purchasing, and Fleet Maintenance focus on the improvement of processes which will affect and be affected by the organization of internal services. (Recommendation 2)
3. The work on cost-accounting will help to assure accuracy in the implementation of full cost recovery by internal service departments. (Recommendation 3)
4. The Chief Administrative Officer's leadership in the task forces and the present payroll simplification study indicate that he is taking needed initiative in the business systems areas. (Recommendation 4) The recommended ordinance will strengthen the existing efforts and will ensure ongoing attention to removal of "red tape" in those County administrative processes which affect all departments and programs.

Therefore, we further recommend: THAT YOU APPROVE THE ATTACHED RECOMMENDATIONS, COMMEND THE CHIEF ADMINISTRATIVE OFFICER FOR HIS INITIATIVE IN THESE AREAS, AND INSTRUCT THE DEPARTMENTS NAMED IN THE RECOMMENDATIONS TO CONSULT WITH THE ECONOMY AND EFFICIENCY COMMISSION TO ENSURE COORDINATION OF THEIR EXISTING EFFORTS WITH THE IMPLEMENTATION OF THE RECOMMENDATIONS.

Joe Crail, Chairman

Robert J. Lowe, Chairman, Task Force
on Decision Making and Organization
